

What is MSU-IAC?

The Mississippi State University Industrial Assessment Center (MSU-IAC), partnering with Jackson State University and East Mississippi Community College, is one of 31 university centers across the country, funded by the U.S. Department of Energy's Advanced Manufacturing Office, selected to provide free energy assessments to small and medium-sized manufacturing facilities and commercial buildings.

Interested in applying?

- Check your eligibility and fill out an application form for your company at <https://iac.msstate.edu/index.php/assessments/clients/>

An MSU-IAC employee will respond to your request within 2-3 business days.
